

JeCCDO-Opportunity for Change Training Center

Escape to paradise with low-price, you deserve it!

About us

JeCCDO-Opportunity for Change Training Center (JOCTC) is established with the aim of enhancing JeCCDO's community development efforts by simultaneously engaging in institutional Social Business and raising income from local sources for local development. The centre provides training facilities as well as renting service for diverse clients with the location that is close to the capital city, Addis Ababa (40-45 minutes drive) in Bishoftu (one of the touristic destination town in the country). The centre is situated in a beautiful spacious setting, magnificently flourished land with a green, mountain as well as lake view.
